(vi) Institutional set-up for liquidity risk management

Nivara Home Finance Limited has a Board approved Assets Liability Management Committee to oversee liquidity risk management. ALCO consists of MD & CEO and Chief Financial Officer. The ALCO meeting are held on quarterly basis. The ALCO inter alia, reviews the asset liability profile, risk monitoring system, liquidity risk management, funding and capital planning, profit planning and growth projections, forecasting and analyzing different scenarios and preparation of contingency plans. The Company has a Board approved Risk Management Committee, which oversees overall risks to which the Company is exposed including liquidity risk Management. The updates on the meeting of ALCO and RMC also presented to the Board at regular intervals in the Board Meeting for their review.

Further, the management regularly monitors the position of cash and cash equivalents. Assessment of maturity profiles of financial assets and financial liabilities including debt financing plans and maintenance of balance sheet liquidity is considered while reviewing the liquidity position.
